Select the type of supervisor from the drop-down menu: internal supervisor or external supervisor.

Select your internal supervisor from the drop-down list: select the faculty member.

External supervisor (you should only choose this if you do not have a faculty supervisor): the name must be entered in this case.

Select the type of assignment from the drop-down list: e.g. Project.

Agree to submit a statement of authenticity when required for your subject. If there is no such requirement, the application form will not offer this option. Finally, submit the application form.
