

The McDonnell Academy educates a cadre of students from around the globe and across disciplines, preparing them to take on global challenges as leaders in their professions and communities.

MCDONNELL INTERNATIONAL SCHOLARS ACADEMY

Academy Scholars

McDonnell Scholars are graduate and professional students from across the globe and interdisciplinary academic programs, who come to Washington University for an extraordinary educational experience as they pursue doctoral and professional master's degrees in: architecture, business, engineering, law, medicine, neuroscience, sociology, or any of over 100 academic programs offered. In addition to academic talent, Scholars express and reflect an interest in broader social and cultural issues. Graduates acquire a unique global outlook and develop the ability to generate positive change in their communities and around the world.

Academy Facts

- **89 Scholars in Residence** Scholars come from varied degree programs and different countries in order to maximize the diversity of the program and create a rich dialogue and experience.
